Hey Kid Kinder, you made it!

What's wrong? Why aren't you skating?
It's nothing...
Are you sure?

I signed on to that new game we talked about. It wasn't exactly what I expected.

What do you mean?

There's this player who kept making jokes about me looking like a thug. And... that's not a funny thing to say to a black person. Actually, it's not funny to say to anyone. Words like that hurt.

Don'tcha think you're being a little sensitive?

Come on, abi. You know that people say mean things to us because of our race all the time. Remember that time Apollo came home upset because someone kept saying she couldn't speak "real" English?

Oh, ok.

A lot of people don't have to think about it. But some of us do, and I just... I just wish that when people look at me, they'd see me for me.

Hey, I may not get it, but Prendergast wonders about us being a part of the solution. Even if we don't understand that bullying is happening. I get your back no matter what.

As Kid Kinder skates home, he has a lot on his mind...

Being bullied can be hard, but you're not alone. Next time, let's all play together.

What if I don't?
