Votre école est plus sûre maintenant, mais nous ne pouvons pas nous arrêter.

Racism motivated bullying has always been out there and it’s still at work now.

It will take every one of us to put a stop to racism motivated bullying and create a kinder, safer world.

Our community needs us. We have to help others activate their upstander power.

I want to help.

Across the neighborhood.

On the playground.

At the community center.

What’s next for our heroes?

What would you do to be a good upstander?

I’m counting on you to help others be kind and make responsible decisions.
