Week 1: Kid Kinder Jumps into Action

Oh no!

What? We’re losing points in a competition?

I should tell Captain Compassion.

I think we have a bullying situation. I want to help. What should I do?

That’s bullying! All right! Report it to the teachers and leave it in the hands of the authorities. That’s the way to do it.

That’s not cool. Rain got it right!

Thank you!

You’re the winner right!

And so kind!
Basketball coach says, "Hey, you look like a boy who should stand up for the bullies!"

Kid: "No, that's not me. Anthony was the one who stood up."

Coach: "Please stand up for Anthony and the rest of the team."

Amelia: "Hey!"

Principal: "We need to help the bullies."

Other Kid: "I'd rather help the bullies."
Week 3: Include Everyone

Hey, Jordan! Remember, bullying is never okay. In fact, it's a kind of bullying.

Hey, I think Jordan is being bullied again.

It looks like Jordan and Captain Compassion are being sympathetic to Jordan.

Hey, Jordan! Remember, bullying is never okay. In fact, it's a kind of bullying.

Hey, Captain Compassion! You look busy!

Sorry, Jordan. Want to come play with us?

How fun! A great way to help stop bullying.

Phew! I think Jordan is being bullied again. In fact, it's a kind of bullying.

MESSAGES
@AmazingGamer228 Hi, @AmazingGamer228. I hear your mom and dad are worried about you. What’s going on? Are you getting enough sleep? Do you like to read books and how often do you exercise?

@AmazingGamer228 No, I’m okay. I just don’t feel like doing anything. My parents are always nagging me. I should try harder.

@AmazingGamer228 Hey, @AmazingGamer228, maybe you should try talking to someone about how you’re feeling. You don’t have to do everything on your own. Sometimes it’s helpful to have someone to talk to.

@AmazingGamer228 I don’t know. I guess I never thought about it before. I should try talking to someone.

@AmazingGamer228 That sounds like a good idea. Remember, it’s okay to ask for help. You’re not alone.

@AmazingGamer228 Thanks, @AmazingGamer228. I appreciate that.

@AmazingGamer228 No problem. I’m here for you.

@AmazingGamer228 Thanks again.

You noticed you were people noticing. Instead of ignoring the taunting, you decided to help the new student.

You made him feel welcome.

You stood up for him.
